Hi Dave - I have meetings from 1-3 EST (12-2 CST), and then I have a personal conflict after that and will be on leave. Is there any chance we could talk at 12-1pm EST (11a-12p CST)? I could also talk this evening if we need to talk before tomorrow and those don't work?

Alice,

Would you be available for a call today with Gary and me on the Pavillion path forward? Gary could be available anytime between 1 PM and 3 PM EST this afternoon. We can talk and then see about setting up a meeting with Ayn early this week. Let me know your availability.

I can take the lead here, but would like to have a discussion about how ORD would like to proceed before I talk with Ayn. Please let me know your thoughts and I will set up an ORD call.

I'd like to clarify ORD's intentions with respect to this discussion, which I think we fairly urgently need to have. Alice had asked that I wait until Cindy's return to schedule this, which I was happy to do. However, Cindy has delegated the invitation to Alice, Gary has declined for the second time, and I haven't heard from Dave. Perhaps it would be more effective if the ORD folks were to get together and decide who needs to be in this conversation from ORD, and come up with some options for a date and time. I have been asked by Jim to proceed, but am at a bit of a loss as to how to get this moving forward. thanks, all, for your attention to this.
